

# To download Enniskillen Model Primary School App

Here's what to do:

- On an iPhone
  - Go to App store – search for Enniskillen Model Primary School
  - Select the app showing the school crest and download
  - When asked for a password - type in 11111 (5 number 1)
  - Select the class/classes that your child/children are in. You will then receive any notifications relevant to your class.
- On an Android phone
  - Go to Play Store – search for Enniskillen Model Primary School
  - Select the app showing the school crest and download
  - When asked for a password - type in 11111 (5 number 1)
  - Select the class/classes that your child/children are in . You will then receive any notifications relevant to your class.
